

## NATURAL STONE / TRAVERTINE AND LIMESTONE

# Beige Travertine

## Classic beige travertine

Grey-beige streaks drift across a sandy ground, dotted with the open pores typical of travertine. Works across floors, steps and pool decks, inside and out.

|             |                                                                                                                    |
