

NATURAL STONE / BEIGE AND CREAM MARBLE

# Botticino Classico Marble

**Warm beige marble, ochre veins**

Ochre stylolite lines, some jagged, track across a warm beige ground flecked with small pale spots. On stairs and hallway floors the fine pattern helps hide wear.

|             |                                                                                                                    |
