

QUARTZ / SOLID & SPARKLE

Cacao Quartz

Cocoa brown quartz, dark chips

The base is deep cocoa brown, run through with darker chocolate and black chips and the odd silver glint. Walnut joinery suits it.

Colours can vary slightly between batches. Approve from a physical sample and order from one batch. Not every design is made in every size. We confirm the size for each design in your quote. Technical figures come from the test report sent with each quote. Quartz releases crystalline silica dust when cut: follow the safety data sheet.
