

QUARTZ / CALACATTA

# Calacatta Grigia Quartz

## Smoky grey-banded white quartz

Wide, smoky grey bands spread across a soft white ground, their edges picked out with tiny gold flecks. Contrast stays low, so large wall panels look calm.

Colours can vary slightly between batches. Approve from a physical sample and order from one batch. Not every design is made in every size. We confirm the size for each design in your quote. Technical figures come from the test report sent with each quote. Quartz releases crystalline silica dust when cut: follow the safety data sheet.
