

QUARTZ / CALACATTA

Statuario Nuvolato Quartz

Frosted white quartz, misty veins

Frosty mottling covers the white ground, broken by faint grey veins that branch and fade. The texture stops a large island from looking flat.

CODE	DQ-134

Colours can vary slightly between batches. Approve from a physical sample and order from one batch. Not every design is made in every size. We confirm the size for each design in your quote. Technical figures come from the test report sent with each quote. Quartz releases crystalline silica dust when cut: follow the safety data sheet.
